

LoRa Technical data

LoRa frequency	: 920.125MHz - 925.125MHz
Air data baud rate	: 19.2Kbps
Max connection per gateway	: 10 endnodes
Mesh network maximum devices	: 850 devices
Response time for alarm	: < 1 sec for open area < 100m < 5 sec for open area < 500m < 10 sec for open area < 1,000m
Maximum node	: 2,550 nodes

Implementation
